

Labelling Machine

PT-N25BT

Bluetooth labelling machine

Compact, lightweight easy-to-use labelling machine. Perfect for all round home and office organisation, labels can be created quickly and effortlessly on-demand using the built-in keyboard. Alternatively, connect to a smartphone via Bluetooth and print labels using Brother's Design&Print2 App.

With a range of fonts and frames to play with, symbols to spark the imagination and a variety of coloured tapes to choose from, labels can be fully personalised to suit individual taste.

PT-N25BT

Key features:

- Design and print labels using the built-in QWERTY keyboard
- Bluetooth connectivity to print labels directly from a smartphone using Brother's Design&Print2 App
- Graphic display to preview labels before printing
- Choose from 3 fonts, 15 frames and 250 symbols to customise labels
- Access to a wide range of ready-to-print label templates for all round home organisation using the free App
- Print 12mm Btag labels in a variety of colours
- Easy-to-use manual cutter
